NACS - participation to a workshop in Belgrade, besides FNSA

Between 16-18 June 2014, experts from the National Agency of Civil Servants (NACS) participated in Belgrade (Serbia) at a workshop under the project "*Information and consultation- the basis for responsible and active participation of public sector employees*", implemented by the National Federation of Trade Unions in Administration (FNSA) in partnership with NACS.

The presentations in the meeting targeted *the analysis of the opportunities offered by Directive 2002/14 / EC on social dialogue in public sector, and the presentation of effective negotiation methods that can be applied in social dialogue in public services sector.*

The event, beside the delegation of Romania, was attended by representatives of trade unions in Bulgaria, Serbia, Montenegro, Spain, Lithuania and Poland.
