#### **A new Romanian best practice recognized at European level**

**The National Agency of Civil Servants (NACS)** informs that the project *SocialXChange* run by the **Directorate General of Social Assistance and Child Protection Sector 6** was selected as model of best practice at European level within the Competition European Public Sector Award - EPSA 2015 edition under the theme "The Public Sector as Partner for a Better Society".

The Agency has promoted the 5<sup>th</sup> edition of the competition for the European Public Sector Award - EPSA at the level of the public administration in Romania, encouraging the participation of public institutions and authorities in the European competition, so that successful projects are made known and become role models.

The competition had **266 projects** enrolled from **36** European countries and institutions and **64 best practices** were identified at European level.

The certificates of best practices will be granted within a ceremony which will be held during 17-18 November 2015 at Maastricht, Netherlands.
