ANFP - conference to launch a new project

On June 21, 2018, the launching of the Horizontal Training Project for potential beneficiaries and FESI beneficiaries, as well as specific training for POAT beneficiaries, implemented by the National Agency of Civil Servants (ANFP), co-financed by the European Development Fund Regional (ERDF) through the 2014-2020 Operational Assistance Program (OPTA).

The event was attended by Sirma Caraman, Secretary of State, Ministry of Regional Development and Public Administration, Oana Pintilei, State Secretary, Government Secretariat, Ionuț Valeriu Andrei, State Secretary, Ministry of Communications and Information Society, Bogdan Pușcaș, President of the Agency National Public Procurement, Andreea Arcan, Vice-President of ANFP, as well as other representatives of public institutions and authorities with specific activity for the project (Ministry of Public Finance, National Integrity Agency, Ministry of European Funds, etc.).

The overall objective of the project is to strengthen the capacity of beneficiaries involved in the management of the FESI, as well as to develop the capacity of potential beneficiaries and OPTA beneficiaries to implement projects and manage European non-reimbursable funds.

At the conference were presented speeches and thematic topics were presented in the field of interest, while the main activities of the project were detailed.

Present at the conference, ANFP President Vasile-Felix Cozma said: "The National Agency of Civil Servants has accumulated a vast experience in conducting projects with external financing, proving constant concern and involvement in this respect. Currently, ANFP has seven projects that I consider to be extremely valuable, both in terms of the themes approached and because some of them are being developed in partnership, which I consider to be a plus-value factor.
